SALES TO THE U.S. GOVERNMENT

Trellix Public Sector LLC works with many industry channels and other business partners to provide FAR Part 12 commercial products and services to the U.S. Government. More information about these business partnerships and contracting vehicles can be found at https://www.trellix.com/en-us/solutions/public-sector.html.

Trellix utilizes the following company business classifications under the North American Industry Classification System – 541511 and 541512.

Trellix suppliers who provide products and/or services in support of a U.S. Government contract must comply with applicable FAR/DFAR flow down terms set forth on the Trellix Supplier Portal found at https://www.trellix.com/en-us/about/legal/supplier-portal.html.
